

Introducing YourBlueprint®

- Co-Pay Assistance
- Patient Assistance Program
- QuickStart Program
- Ongoing Support

PERSONALIZED SUPPORT FOR EVERY STAGE OF YOUR TREATMENT JOURNEY

Enrolling in YourBlueprint can help you gain access to support resources offered by Blueprint Medicines. Call us today to ensure that you're getting assistance for your specific needs. We look forward to supporting you.

Resources for those who are currently taking AYPVAKIT® (avapritinib) or who have been prescribed and are about to start:

DEDICATED CASE MANAGERS

A YourBlueprint Case Manager will assist with your enrollment, help you understand the resources we offer, and help make sure that you have access to AYPVAKIT. Whenever you have questions about our programs or access to AYPVAKIT, reach out to a Case Manager.

FINANCIAL ASSISTANCE*

Co-Pay Assistance Program • Patient Assistance Program

Case Managers can help you understand which of our programs may be able to help you afford AYPVAKIT. They can provide contact information for independent organizations that may be able to assist.†

Visit yourblueprint.com/financial-assistance for more information.

TEMPORARY TREATMENT HELP*

QuickStart Program • Coverage Interruption Program

A delay or interruption in insurance coverage shouldn't prevent you from getting the medicine you need. In the event of a coverage gap, Case Managers can help you get a temporary supply of AYPVAKIT.

PATIENT NAVIGATORS

When you enroll in YourBlueprint, you may have the option of speaking with a dedicated Patient Navigator. Your Patient Navigator can provide additional support that can help you have informed conversations with your healthcare provider while you are on treatment.

Learn more on the reverse side.

Are you enrolled in YourBlueprint? Visit YourBlueprint.com or call a Case Manager today to take advantage of our full set of services. **1-888-BLUPRNT (1-888-258-7768), ext. 1**

*For eligibility criteria and terms and conditions, call 1-888-BLUPRNT (1-888-258-7768), ext. 1, or visit yourblueprint.com/financial-assistance.

†These organizations are not associated with Blueprint Medicines and establish their own rules and application processes. Blueprint Medicines does not endorse any particular organization.

YourBlueprint® Patient Navigators: with you on your treatment journey

Patient Navigators are just one of the many support resources you can access through YourBlueprint. Patient Navigators know that you are more than your diagnosis, and they're here to listen and help.*

WHAT YOU NEED, WHEN YOU NEED IT

Have a quick question? Your Patient Navigator may be able to help. Feeling frustrated with how your condition is affecting different aspects of your life? Your Patient Navigator is **here to listen**.

SUPPORT FOR LOVED ONES

Your Patient Navigator can also **help family and friends understand** how to better support you. Just let your Patient Navigator know if you want someone to join your call.

A PERSONAL CONNECTION

Your Patient Navigator will come to understand your specific situation—your challenges, goals, and victories. Your Patient Navigator is **someone you can reach out to** during your treatment.

SUPPORT ON YOUR TERMS

You and your Patient Navigator can set up phone calls that work with your schedule. These calls are **a chance to connect** with someone who understands your condition. (You can also reach out to the Patient Navigator team whenever you need to!)

The YourBlueprint Support Team provides personalized support from the start of your treatment (*learn more on the reverse side*). Visit [YourBlueprint.com](https://www.yourblueprint.com) or call a Case Manager today. **1-888-BLUPRNT (1-888-258-7768), ext. 1, Monday-Friday, 8 AM to 8 PM ET**

*Patient Navigators are not involved in practicing medicine and will not provide medical advice, recommendations, or opinions.
