CO-PAY CARD PROCESSING:

In order for your pharmacy to obtain reimbursement for the co-pay assistance program, you will need to ensure your pharmacy is contracted with the copay claim processor, SS&C Pharmacy Solutions (formerly DST Pharmacy Solutions/Argus).

- A. If your pharmacy is already contracted with SS&C Pharmacy Solutions (SS&C), there is **no further** action, and you can begin submitting claims for the YourBlueprint co-pay card. SS&C is in network with 83% of pharmacies.
 - To inquire if your pharmacy is already contracted with SS&C, contact their helpdesk at 1-800-522-7487, prompt 2.

- B. If your pharmacy is not contracted with SS&C, the contracting steps are as follows:
 - Request to join the SS&C network by either:
 - Calling 1-800-522-7487; or
 - Emailing pcontracts2@dsthealth.com
 - Complete a pre-contract. The pre-contract is a 12-page document that provides SS&C information about the pharmacy and its licensing. Your pharmacy will need to provide the following:
 - Completed Pharmacy Credentialing Document
 - Contract completed and signed by authorized official
 - Current Copy of State License
 - Current copy of Tax Identification from IRS or a completed W-9
 - Current copy of DEA License
 - Current copy of Medicaid License (if applicable)
 - Current copy of Certificate of Insurance (COI) Note: Each Occurrence needs to be \$1,000,000 and General Aggregate needs to be \$3,000,000. If the amounts are not as follows, an umbrella policy will be required to meet the required amounts.

YourBlueprint® Co-Pay Assistance Program

- Once the pre-contract and supporting documentation are submitted, SS&C will verify the qualifications of the pharmacy and send out a network contract.
 - SS&C typically turns these requests around in 1-3 business days.
 - The SS&C network contract is a 60-page document.
- Once SS&C receives a signed contract, the pharmacy will be added to the network within 24 hours.
