Please read the following, and if you agree, sign section 5A of the Enrollment Form.

By signing below, I am enrolling in YourBlueprint for AYVAKIT patient support program (the "Program"). I authorize Blueprint Medicines Corporation and its affiliates, business partners, vendors, and other agents (collectively, "business partners" and together with Blueprint Medicine Corporation, "Blueprint Medicines") to provide me with services for which I am eligible under the Program. Such services may include medication and adherence communications and support, medication dispensing support, insurance coverage and financial assistance support, disease and medication education, and other support services offered now or in the future. As part of the Program offerings, I agree to my enrollment in the copay assistance program if I am eligible. If I am applying for patient assistance (no-cost medication) I authorize the Program to use my personal information to obtain a report on my individual credit history from consumer reporting agencies and use that report and other information collected from public and other sources to verify the information on this form and estimate my income to decide if I am eligible for free medication. Upon request, the Program will provide me the name and address of the consumer reporting agency that provides the consumer report.

I understand that Blueprint Medicines Corporation and its business partners may use and share with each other and with my healthcare providers, pharmacies, and health insurance plans, my Information in connection with providing services to me under the Program, administering the Program, or as otherwise required for Blueprint Medicines to meet its legal obligations. I authorize Blueprint Medicines to contact me by mail, telephone, and email with disease information or with information about Blueprint Medicines products, promotions, services, or research studies, and to ask my opinion about such information and topics, including market research and disease-related surveys. I further authorize Blueprint Medicines to de-identify my information and use it in performing research, education, business analytics, and marketing studies or for other commercial purposes.

I understand I do not have to enroll in the Program and that I can still receive AYVAKIT as prescribed by my physician. I understand that I may at any time opt out of individual services offered by the Program or opt out of the Program entirely by notifying a Program representative by calling 1-888-BLUPRNT (1-888-258-7768) or by writing to YourBlueprint at PO Box 15590, Pittsburgh, PA 15244. I understand that the Program may be changed or discontinued in whole or in part by Blueprint Medicines at any time.

AUTHORIZATION TO SHARE HEALTH INFORMATION

I authorize my health care providers and staff, my pharmacies, and my health insurers to use and to disclose to Blueprint Medicines and its affiliates, business partners, vendors, and other agents (collectively, "Blueprint Medicines") health information about me, including information related to my medical condition and treatment, health insurance and coverage claims, and prescription (including fill/refill information) for AYVAKIT (my "Information") for the purpose of enrolling me in and providing services under the YourBlueprint for AYVAKIT patient support program (the "Program"). Once my Information has been disclosed to Blueprint Medicines, I understand that federal privacy laws may no longer protect it from further disclosure. However, I also understand that Blueprint Medicines will protect my Information by using and disclosing it only for the purposes allowed by me in this Authorization or as otherwise required by law. I understand and agree that the pharmacy that dispenses my AYVAKIT may receive payment from Blueprint Medicines in exchange for disclosing my Information to Blueprint Medicines.

I understand that I do not have to sign this Authorization. A decision by me not to sign this Authorization will not affect my ability to obtain medical treatment from my health care providers, my eligibility for health insurance benefits, or my access to Blueprint Medicines medications. However, if I do not sign this Authorization, I understand I will not be able to participate in the Program. I understand that this Authorization expires ten years from the date signed below, or as otherwise required by state or local law, unless and until I cancel (take back) this Authorization before then. Cancellation of this Authorization will end further uses and disclosures of my Information and my participation in the Program but will not affect any uses or disclosure of my Information made by my health care providers and staff, my pharmacies, and my health insurers based on this Authorization before receipt of the cancellation.

I understand I may request a signed copy of this Authorization.
